TRAIL RESIDENCY PROGRAM INFORMATION SHEET WILLI KRAUSE FIELDHOUSE USER GROUPS

Effective September 14, 2009

This information pertains to all user groups of the Willi Krause Fieldhouse for the upcoming 2011/2012 season.

- **All players** must have a residency card or a sport pass to participate in an organized activity in any City of Trail facility – those not having either of these cards will not be permitted to utilize the facilities.
- **Residents of Trail, Warfield, Electoral Area B, or the Beaver Valley** may come in to the Parks & Recreation Department and complete the required application form (showing valid ID) and receive their card at no charge. These cards are available Monday – Friday from 8:00 am – 4:30 pm and must be processed prior to using the facility.
- **Anyone living outside of Trail, Warfield, Electoral Area B, or the Beaver Valley** must come in and purchase a sport pass, which is \$20.00 per player for fieldhouse use. These cards are available Monday – Friday from 8:00 am – 4:30 pm and must be purchased prior to using the facility.

We will require your rosters in advance of your first booking and will need verification that everyone on the roster has one of the passes mentioned above. Each pass has photo ID with an issued number on it – this number must be recorded by each individual's name on the roster.
